Case No. 2:15-cv-00473-GMN-GWF

ORDER

18 This matter is before the Court on Defendants' Motion for Leave to File Under Seal (ECF
19 No. 167), filed on August 24, 2016.

20 Defendants request leave to file Exhibit H to their Opening Claim Construction Brief (ECF
21 No. 166) under seal pursuant to the stipulated Protective Order entered into by the parties on August
22 31, 2015. *See* (ECF No. 62). Defendants represent that Exhibit H "contains information about
23 IGT's S3000 gaming cabinet, including excerpts from product documentation that IGT has
24 designated as confidential." *Motion* (ECF No. 167), pg. 2, lns. 10–11. Defendant further argues
25 that good cause exists to file Exhibit H under seal because "disclosure of the information contained
26 in Exhibit H could expose IGT's trade secrets or other proprietary business information, and may
27 put IGT at a competitive disadvantage in its dealings with third parties." *Id.* at pg. 2, lns. 12–15.
28 Upon review, the Court finds good cause to allow Defendants to file Exhibit H under seal.

1 Accordingly,

2 **IT IS HEREBY ORDERED** that Defendants' Motion for Leave to File Under Seal (ECF
3 No. 167) is **granted**.

4 DATED this 31st day of August, 2016.
